TRIAD STUDY NOTES

“The fact that Jesus Christ is who he is and has done what he has done for us, with us and to us, means that there is already more going on in your life than you ever imagined. How could it be otherwise? If he shares in the life of the Trinity, and we are included in him, then it is impossible that that life is absent from our lives.”

Baxter Kruger

“The most meaningful, creative, satisfying life possible is one live here in the Spirit. The Spirit enables us to be whole persons.”

Jonathan Dodson
